

YOUR TIME IS YOUR OWN. OUTSIDE OF THE OFFICE YOU SHOULD BE ABLE TO ENJOY EVERY SECOND OF WHAT TIME YOU HAVE. STILL, WE SPEND SO MUCH TIME BY FOOT IN POURING RAIN AND IN TAXI CABS ON OUR WAY FROM THE RESTAURANT TO THE BAR, ONLY TO FIND OUT OUR TABLE ISN'T READY FOR ANOTHER 40 MINUTES. WOULDN'T IT BE WONDERFUL IF YOU DIDN'T HAVE TO GO THROUGH ALL THAT?

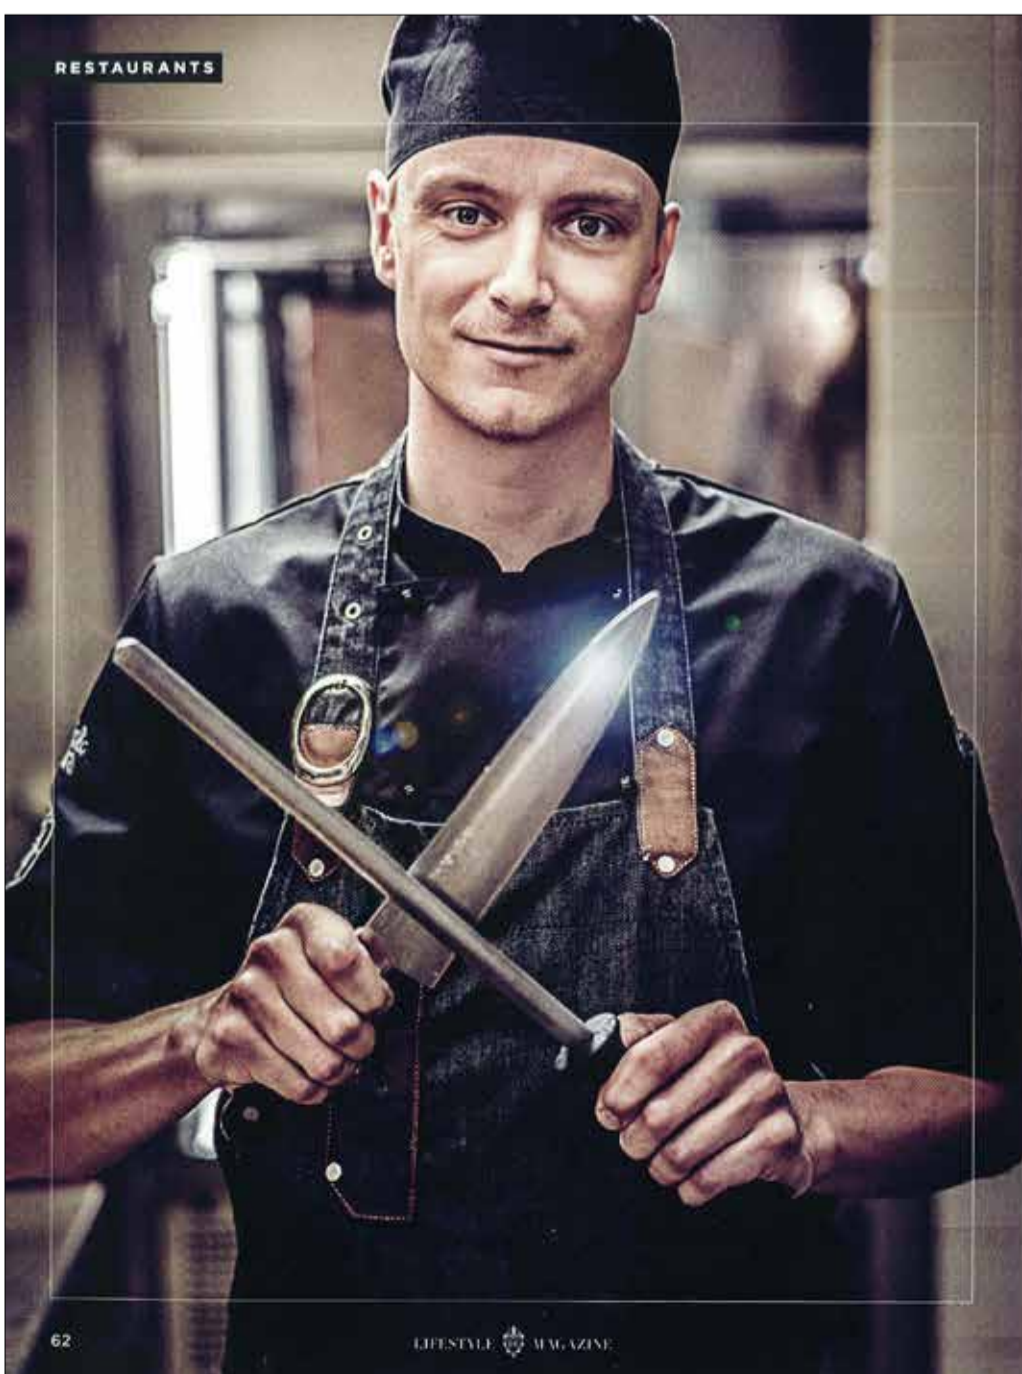

COOL AS KOL

WELL, WHEN YOU'RE IN Helsingborg you don't have to. The acclaimed Kol & Cocktails have managed to create a place that magically transforms into everything you are looking for. A restaurant serving top notch lunch as well as classy dinner, well suited even for the most particular gourmet. Though the restaurant is specialized in grilled food, far from everything is meat and plenty of vegetarian alternatives are served. Whilst here, make sure you try out one (or several) of the, oh so talked about, cocktails.

— Our establishment stands firmly on no less than four legs: food and drinks, music, a beautiful interior and last but not least, service, says Michael Fogelqvist, founder and owner of Kol & Cocktails.

WHO IS YOUR TYPICAL CLIENT?

— I would say anyone looking for that extra special something. We love to welcome those who expect nothing but the best, and excel beyond their expectations.

WE'VE HEARD YOU HAVE PLANS FOR OPENING A NEW KOL & COCKTAILS ON KALENDERGATAN IN MALMÖ?

— We are, and we are really excited about it. We plan to raise the bar even higher and welcome old and new customers in this brand new, and slightly edgier Kol & Cocktails.
